

Village of Voorheesville Water Tap Application

This is a formal request for a water tap to be installed at the property address below.

This certifies that I am the property owner, and have read the Village of Voorheesville water regulations.

Owner's name _____

Address _____

Property Address _____

Phone _____

Signature _____

This application must be accompanied by a plat plan of the property and the installation fee plus annual minimum:

\$1000 plus \$200.00 for property inside the village

\$2000 plus \$400.00 for property outside the village

Once reviewed by the Superintendent of Public Works and approved by the Board of Trustees, you will be notified if any additional fees are necessary (i.e. water meter other than standard 1.5")

If it is necessary to extend pipe under the road, a qualified, bonded contractor must be hired at your expense, specifications are detailed in the water regulations.

After receipt of all fees and approvals, an installation date will be determined by the Superintendent of Public Works.
