

ABOUT OUR SATELLITE BINS...

The **paper & cardboard recycling bins** (firehouse, Methodist Church & St. Matthew's Church), as well as the **blue clothing bin** (firehouse) and **personal care/cosmetics recycling bin** (Village Hall) are *optional* recycling choices. However, utilizing these bins over your curbside bins will **greatly reduce** the weight and amount of material the Village pays to remove. There is **no cost** to the Village for the paper/cardboard bins and the personal care/cosmetics bin; the clothing bin brings in a small revenue. We strongly encourage you to use these recycling resources.
